

THE MIDDLESEX 3 COALITION PRESENTS:

ENABLING LIFE SCIENCES INNOVATION BEYOND CAMBRIDGE

TUESDAY, NOVEMBER 27, 2012

8:00am Registration/Breakfast

8:30-10:30am Program

10:45am Tours of ETIC

UNIVERSITY OF MASSACHUSETTS, LOWELL, Alumni Hall

THE MIDDLESEX 3 COALITION invites you to a breakfast event at UMass Lowell to hear the advantages of locating or expanding your Life Sciences company along the Route 3 Corridor north of Boston. This is a great place to grow due to low lease rates, easy permitting processes, educational infrastructure to provide needed skill sets, and the UMass System research/support structure.

TOPICS INCLUDE:

- **Enabling Life Sciences Innovation beyond Cambridge** — Assessing and capitalizing on Middlesex 3 regional strengths
- **Why Life Sciences are already here** — Straight talk from the region's 'Anchor Tenants' — what they like — what they want
- Tour of the new Emerging Technologies & Innovation Center (ETIC)

ABOUT THE COALITION

The Middlesex 3 Coalition is a regional collaboration among public and private leaders of five communities along Route 3 in Middlesex County, Massachusetts: Bedford, Billerica, Burlington, Chelmsford and Lowell. Members are comprised of business, government, educational and financial institutions leaders working together to promote the region and its competitive advantages. The Coalition's mission is to strengthen and grow economic development in the region.
