Transportation Resources for Area Businesses

on

Wednesday, January 25, 2017 at 8:30 AM

Bedford Town Hall, 10 Mudge Way, Bedford, MA 01730

The purpose of this meeting is to discuss ways to improve traffic along Route 3 and in our communities and to provide transportation resources to our businesses. This includes **carpools, vanpools, employee and intern shuttles, emergency ride home programs, Lyft, last mile connects, and transit programs.**

In addition, discussion will include:

- **Co-op shuttles between Northeastern University (Boston) and Route 3 businesses and**
- **Restaurant and retail shuttle service between Lowell and Burlington and Bedford.**

The Middlesex 3 Coalition is public-private partnership that created the Middlesex 3 Transportation Management Association (M3 TMA) to help address business concerns, including traffic and access to transportation resources.

The Middlesex 3 Coalition focuses on the best ways to get your employees to work and resources available to attract employees and companies to the area.
